CLINICARE®

CUTTING EDGE COSMECEUTICAL FORMULA

EGF GLOW (5ml)

Anti-Pigmentation & Skin Rejuvenation with Hyaluronic Acid 2% (20mg/ml)

Skin rejuvenating anti-pigmentation vial with intensive anti-wrinkle effect.

EGF GLOW has a mixture of anti-pigmentation, hydrating, firming, tightening and antioxidant ingredients to eliminate uneven pigmentation, and to restore moisture and firmness caused by too much sun and loosening of hyaluronic acid and collagen fibers.

Benefits:

- Offers fast-acting relief for pigmented and dehydrated skin
- Provides long-lasting hydration
- Suitable for hyperpigmented skin with or without wrinkles.

Main active ingredients:

- Hyaluronic Acid 2% (Low molecular weight) (deep moisturizing effect)
- Arbutin 2% (Treats uneven skin tone and anti-pigmentation effect)
- Hexapeptide-8 (Argireline) 1% (Lifting, tightening and anti-wrinkle effect, Botox like effect)
- Panax Ginseng 1% (Strengthens the skin, and benefits its barrier functions)
- Ascorbic Acid (Strong antioxidant that slows the rate of free-radical damage)
- Human Oligopeptide-1 / EGF (Tissue regeneration)
- Palmitoyl Oligopeptide (Increases collagen and hyaluronic acid levels)

Ingredients:

Aqua, Butylene Glycol, Mineral Water, Betaine, Portulaca Oleracea Extract, Sodium PCA, Hyaluronic acid, Arbutin, Polyquaternium-51, Glycerin, Beta Glucan, Acetyl Hexapeptide-8 (Argireline), Alcohol, Panax Ginseng Root Extract, Ascorbic Acid, Centella Asiatica Extract, Echinacea Purpurea Extract, PEG-60, Hydrogenated Castor Oil, Human Oligopeptide-1 (EGF), Chamomilla Recutita Flower Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra Root Extract, Polygonum Cuspidatum Root Extract, Rosemary Leaf Extract, Scutellaria Baicaliensis Root Extract, Magnolia Kobus Bark Extract, Citrus Paradisi (Grapefruit) Fruit Extract, Thujopsis Dolabrata Branch Extract, Camellia Sinensis Flower Extract, Allantoin, Hydroxyethylcellulose, 1,2-Hexanediol, Chlorphenesin, Phenoxyethanol, Palmitoyl Oligopeptide, Disodium EDTA.

HAIR ENERGY (8ml)

Stimulate hair growth, stop hair loss and improve hair quality.

The Hair Energy mesotherapy cocktail has a unique combination of active ingredients specially designed to maintain scalp vitality and act on follicle dysfunctions in order to achieve good anti-hair loss results.

It combines antioxidant and anti-inflammatory effects with a hair growth stimulating effect.

Targets:

- Hormonal (androgenic) or hereditary hair loss
- Tired and dehydrated hair
- low hair growth

Main active ingredients:

- Hydrolyzed Collagen - provides specific amino acids necessary to replenish the body's collagen. Corrects weak, broken, split and damaged nail beds. Thickens fine hair and slows down hair loss.
- Citrullus Colosynthis Fruit Extract - stimulates hair growth, with an effect comparable to finasteride.
- Velvet Extract - promotes hair growth by regulating the hair cycle and cell proliferation in hair follicles.
- Angelica Acutiloba Root Extract - protects from hair loss and promotes hair growth.
- Rheum Palmatum Root Extract - protects from hair loss and promotes hair growth.
- Centella Asiatica Extract - increases the supply of blood to the capillaries under the skin. Centella Asiatica can improve the health and condition of skin's surface layers. It can also stimulate hair growth by delivering an increased flow of oxygenated blood to the hair follicles.
- Polygonum Cuspidatum Extract - activates collagen, increases fibroblasts and hair follicles and reduces inflammatory cells.

Ingredients:

Purified Water, Propylene Glycol, Alcohol, Quaternium-60, Hydrolyzed Collagen, Panthenol, Niacinamide, Butylene Glycol, Aloe Barbadensis Leaf Juice, Centella Asiatica Extract, Citrullus Colocynthis Fruit Extract, Velvet Extract, Castanea Sativa (Chestnut) Seed Extract, Angelica Acutiloba Root Extract, Rheum Palmatum Root Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Scutellaria Baicalensis Root Extract, Polygonum Cuspidatum Root Extract, Camellia Sinensis Leaf Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Chamomilla Recutita (Matricaria) Flower Extract, Phenoxyethanol.
